

Hands-on Virus Diseases Identification and Management in the Vineyard Workshop

UC Cooperative Extension-Kern County, Foundation Plant Services and the department of Plant Pathology at UC Davis is holding a half day workshop focused on the identification and management of viruses such as leafroll, fan leaf, red blotch and other virus diseases, and its management in Kern County. We would like to invite you to join us for an in-depth discussion involving these issues followed by lunch.

Date: May 16th, 2017

Time: 9:00 am – 1:00 pm, lunch provided following discussion.

Location: University of California Cooperative Extension Kern County.

1031 South Mount Vernon Avenue, Bakersfield, CA 93307

Cost: No charge to attend, funding for this project is provided by the PD\GWSS board

A limited number of seats are available, so please register ASAP using this link (<http://ucanr.edu/grapevirus>)

Speakers:

Dr. Neil McRoberts, UC Davis Plant Pathology Dept.

Dr. Ashraf El-kereamy, UCCE Kern County

Dr. Kari Arnold, UC Davis Plant Pathology Dept.
