2013 4-H Film Making Statewide Project, supported by BestBuy

http://www.ca4h.org/Projects/SET/Tech/CTLT/Film/

For 4-H members (age 13-19), volunteers, and staff to learn how to produce films. The goal of the 4-H Film Making Project is to enhance technological literacy of 4-H members by helping them learn the basics of film production including storyboarding, filming, and editing. Our goal is to have 4-H members produce films that feature how 4-H is impacting their community (for example, 4-H Revolution of Responsibility projects) and recording 4-H alumni and creating films featuring the "Voices of 4-H History" for the CA 4-H Centennial.

The project is coordinated by the 4-H Technology Leadership Team,

- Hosting four-hour video production workshops around California using the National 4-H Film Making Curriculum (workshops limited to 30 people)
- Lending video equipment kits to counties
- Showcasing completed videos at the State 4-H Film Festival and on various websites
