2018-2019 State Program Fee Increase

Dear 4-H Families,

4-H is the first and largest youth development organization in the world, and for over 100 years has been preparing young people ages 5 to 19 with the skills they need to lead for a lifetime. The University of California, Division of Agriculture and Natural Resources administers 4-H and provides significant support to cover operational costs, including funding for nearly half of all county-based staff positions and all Advisor positions.

Annual program fees paid by members and volunteers help support fundamental services, including insurance, program development, resources, events, required online systems, and staff to sustain and enhance exceptional programming for nearly 92,400 members and 13,500 adult volunteers.

Over the next five years, state program fees are projected to increase to cover increased costs for program operations. For the 2018-2019 program year, starting July 1, 2018, fees will be $54 for youth and $18 for adult volunteers. We believe that 4-H should be accessible to everyone and, therefore, fee waivers will continue to be available for qualifying families (contact the local County 4-H Office for more information). 4-H is still relatively inexpensive compared to other youth activities such as youth football or soccer (which start at several hundred dollars a season). And, youth who participate in 4-H are likely to excel in school, participate and be interested in science, make more healthy choices, contribute to their communities and thrive today and in the future. The lifelong benefits are priceless!

The State 4-H Office will continue to raise funds to help alleviate projected increases and develop new revenue streams to support 4-H in order to keep costs as low as possible for families.
Give Big Kern Fundraiser!

Give Big Kern is a fundraising campaign for non-profit organizations throughout Kern County. This year will be the first year Kern County 4-H will be participating and we need your help to make it a success. The funds raised will be used to help pay for the costs of operating 4-H programs and special events in Kern County. Please share this link with friends, family, and business owners! May 1st will be Give Big Kern Day in the county but donations can be made April 1 – May 2, 2018. Your contribution of any amount will be deeply appreciated. The minimum amount that can be donated is $5.

To contribute, visit the Kern County 4-H hyperlink at https://www.givebigkern.org/organizations/kern-county-4-h

Be sure to share this information on social media! Spread the word. Text a friend. Forward this email. Post on Facebook, Twitter and Instagram using the hashtag #GiveBigKern. Oh, and you can also just tell someone in person – that works, too.

Come See: Old West Stuntman Reenactments

May 12, 2018 10 AM - 3 PM

The Havilah Historical Society and Museum
6789 Caliente – Bodfish Road,
Havilah, California 93518-4725
The Havilah Historical Society and Museum  
First County Seat for Kern County, CA 1866 - 1874

All Kern county 4H members and families are invited to participate with The Havilah Historical Society and Museum in the first ever History Days in Havilah.

Ways to participate:

- Help support the Havilah Historical Society and Museum with their continued efforts to preserve the history of Kern County by participating in a fundraiser lunch.

- Enjoy living history presentations and reenactments celebrating the rich history of our first county seat.

- Plan an Old West (1860-1900) themed historical presentation describing the process of a skill used in this timeframe and compete in the Working Demonstration Competition, judged by Museum Board members. Examples: Sewing, Leatherwork, Soap Making, Carpentry, etc.

- Try your hand at reenacting an Old West Historic Character, dress in time-period correct clothing, and present your interview to a panel of judges from the Havilah Historical Society in the Historical Interview Competition. Examples of characters you can portray: Annie Oakley, Calamity Jane, Wild Bill Hickok, Billy the Kid, Butch Cassidy, just to name a few, or an unnamed character, such as a Blacksmith, Cobbler, Shop Keeper, etc.

MARKET LAMB HEALTH

The state veterinarian has been informed that some market lamb youth have been using an unapproved product (melatonin) in project animals. Please share the information below widely so we can stop this ILLEGAL activity.

Although melatonin is available over the counter as a sleep aid/regulator for humans, it is classified as a dietary supplement and therefore not approved by the Food and Drug Administration (FDA). The FDA does not approve or license dietary supplements; it only tests them for safety (no contaminants, etc.).

Melatonin is a hormone. It is approved for use in food animals in other countries, but in the U.S., it is only approved for use in mink “to accelerate the fur priming cycle.” See the info below from the FDA site; it specifically says “do not use in food-producing animals.”

Because melatonin is not approved for use in food animals in the U.S., no withholding times have been established for it. This means the residue tolerance level is ZERO. The Food Animal Residue Avoidance Database says no recommendations can be made regarding withholding times to achieve zero residue in animals that have been treated with this hormone.

Do not confuse this issue with extra-label drug use (ELDU). ELDU is permissible under the guidance of a farm’s veterinarian in specific circumstances (details at https://www.fda.gov/AnimalVeterinary/GuidanceComplianceEnforcement/ActsRulesRegulations/ucm085377.htm). A critical aspect of ELDU: “it is limited to circumstances when the health of an animal is threatened, or suffering or death may result from failure to treat. This means extra-label use to enhance production is not permitted.” Uninformed or unscrupulous sheep producers use melatonin to enhance wool/hair growth and to calm excitable animals; these are production issues (and “show animal” production issues at that), not health issues, so this use does not fall under legal ELDU. Additionally, ELDU only pertains to medications approved by the FDA for animals or humans; melatonin is not approved by the FDA. For a comprehensive and up-to-date resource of FDA-approved medications, see https://animaldrugsatfda.fda.gov/adafda/views/#/search.

Summary

- Melatonin is not approved for use in food animals in the U.S.
- Using melatonin in food animals violates federal food safety regulations
- Using melatonin never qualifies for legal extra-label drug use
- Penalties and incarceration are possible when food safety regulations are violated
- It is critical for food animal producers to use credible sources to thoroughly investigate the legality of any products they use in or on their livestock
- Use of unapproved medications threatens the reputation of all youth-grown food animal products, risks exclusion of youth market animals from processing plants, and endangers the future of youth livestock market sales
Hello,

Please help support a 4-H student Nayeli Camacho attend the Stanford High School College Program. Nayeli is one of the few selected students from around the world to be accepted to become a Stanford student for two months during the summer. She was awarded with the maximum scholarship funding for this program. However, she still needs $6,500 to be able to attend. Attending Stanford University has been an aspiration of hers, but having to pay this amount makes it impossible for her to attend. We would like to ask for your assistance in helping her attend this summer session. Any contribution that you wish to give will be truly appreciated. Below is a link to her Go Fund Me account, so that you are able to read more about her, and make a donation.

Nayeli has been doing some fundraising activities in her school, and is planning other fundraising events in the community. If you would like to help her in this endeavor feel free to reach out to her via email at nayelicamacho22@yahoo.com

Thank you for your support!

California 4-H State Horse Classic

Murieta Equestrian Center in Rancho Murieta, CA
June 27 - July 1, 2018
Registration now open!!

Early Bird Entry Deadline May 1, 2018

Important Information

This year, the Equine Planning Committee has decided to use a new registration program, Horse Showing.com for Horse Classic registrations. Unfortunately, we cannot change the class cost to the early bird cost of $15. If you register by the Early Bird Deadline, the cost of each class is $15 and not $20. In order to fix this correction, there are a few options. You may:

- Adjust the amount owed on your payment to reflect the $15/class (Ex. 5 classes @ $20=100; adjust to 5 classes @ $15=$75)
- Pay the total amount due. The committee will adjust the amount and issue a refund no later than the conclusion of Horse Classic
- The refund amount can be used towards a purchase of Horse Classic Shirt, Hat, or donation.

We apologize for any convenience this may have caused. If you have any questions, please feel free to contact Shauna Bond, Show Manager, or Jessica Bautista, State 4-H Liaison.

For more event information, please visit the CA 4-H Horse Classic website or you may contact:

Have your club help us collect data and win $100 worth of goods from Shop 4-H (https://shop4-h.org/)

California 4-H recently joined 9 other states in the “Common Measures Challenge Cohort” funded by National 4-H Council. The goal of this challenge is to collect data from our youth to help inform professional development strategies for both staff and volunteers. This data can help us showcase the impact of 4-H.

Data will be collected via the Online Record Book, and also through emails sent via Qualtrics to youth. The survey will come from Dr. Kendra Lewis at the State 4-H Office to all enrolled youth.

We are reaching out to you for help in collecting data in your club. Please have youth in your club complete the survey that will be sent by Dr. Lewis (check your spam inbox for an email from noreply@qemailsender.com). Or you can log into the Online Record Book https://4horb.ucanr.edu/login.cfm and take the “Blue” survey. Data must be collected by July 31st.

As an incentive, the top two clubs in the county that have the highest percentage of youth complete the survey will receive the opportunity to select $100 worth of goods for the club from Shop 4-H. The breakdown for the prizes will be as follows:

One $100 prize for the club with 5 - 29 members who has the largest percentage of members take the survey.

One $100 prize for the club with 30 plus members who has the largest percentage of members take the survey.

The winning clubs will be announced in September after the data is tabulated.

This work will greatly help us in understanding the impact of our program and informing professional development in our state. We appreciate your willingness to help us collect data!

Kern County 4-H Club Treasurer Book

Judging Guidelines

All club Treasurer Books must be submitted to the Cooperative Extension Office for review, whether or not they are being considered for competition. If you would like to have your Treasurer’s Book judged, include a copy of the Club Treasurer Book Judging Form along with the book when you turn it in. Be sure to have it as the first page of the book. The Treasurer’s book must contain a completed 4-H Club Peer Review Report and a 4-H Year-End Peer Review Checklist. You may use a standard ACCO-type folder or a three ring binder. Use dividers between sections. The Treasurer’s Book is to be organized as follows:

4-H Club Peer Review Report (Form 8.5)

(http://www.ca4h.org/files/19876.pdf)

Year-End Peer Review Checklist (Form 8.6)

(http://www.ca4h.org/files/19877.pdf)

Annual Financial Report (Form 6.3)

(http://www.ca4h.org/files/23114.pdf)

Monthly Ledger Reports (Form 8.1)

(http://www.ca4h.org/files/23115.pdf)

Annual Inventory Report (http://www.ca4h.org/files/19875.pdf)

4-H Club Budget (http://www.ca4h.org/files/23117.pdf)

(Optional) Reconciliation Statement on Outstanding Checks

The book may be typed or handwritten. Use the Club Treasurer Book Judging Sheet as a guide when preparing your book.

A special message from the Playa Del Sur 4-H Club…

We have a club in the south area of Santa Barbara County that has been hit hard by the fire, floods and rains that have been happening since December. Here is a little information about them:

The Playa Del Sur 4-H Club located in Carpinteria, is currently dealing with the 5th evacuation since their livestock facility flooded on Tuesday January 9, around 4:00 am when the Arroyo Paredon Creek overflowed. The overflow directed mud and debris over Foothill Road through the club’s livestock facility. The mud and debris flow tore through the 4-H livestock farm and swept away most everything the group owned—lamb pens and houses, tack room, generator, livestock scales, all show supplies and equipment, tools, wheelbarrows, feed, and more. With ongoing mandatory evacuations, they have had to move 7 livestock animals and can only move 3 animals at a time, so evacuation has been time consuming.

The effect of the flooding is far from over, now faced with mandatory evacuations and the ongoing task of rebuilding and caring for their livestock has become a formidable undertaking. As you can imagine, Playa del Sur membership is tired, and they are working hard to keep a positive attitude while they figure out a plan for their livestock facility.

Although there was no loss of life suffered by our Cooperative Extension Family—thank goodness—too many members and their families have suffered; jobs have been affected and homes had to be evacuated, some even destroyed. Times like these help us to remember and focus on the important things in life, like this community that has come together in the face of tragedy. Our thoughts are with the members and families of the Playa Del Sur Club, along with the UC Master Gardeners who were affected, as they are a beloved part of our Cooperative Extension family. We wish everyone the best as they continue to put their lives back together.

The members of Playa Del Sur 4-H are extremely grateful for those who have contributed to the rebuilding process. A parent volunteer from one of our clubs has organized a list of the club’s inventory that was lost or destroyed and has asked that we share this information out.

Food Safety Training Available ONLINE!
The State 4-H Office requires that every club have at least one 4-H leader trained in Food Safety. The more leaders in your club that are certified, the more convenient it is for your club. It is required that a certified volunteer is to be present at all bake sales/food booths to make sure proper food safety guidelines are handled. Food Safety trainings are available anytime online!
