**ARE YOU READY TO LOPE YET? YES OR NO? THEN THIS
IS THE TIME TO TRY IT**

This event is to help provide and assist kids who are undecided whether they ready or prepared to move up from 2 gaited to 3 gaited. This is the first of two events. If a child rides 3 gaited in this event, he/she will not be penalized for doing so.

The child will have two events to "try it" to determine if they are ready and want to move up. After the second show (date TBA), They will either remain in 2 gaited or move up. COOL IDEA RIGHT !!!
