#PushPlayCA!

COVID-19 put the world on pause, but our mission to connect the power of UC research in agriculture, natural resources, nutrition, and youth development with local communities is moving forward. Your gift helps ensure UC ANR continues to provide essential resources and trusted information to the people of California in times of crisis and beyond.

In these most challenging times, UC ANR's role as problem-solvers, catalysts, collaborators, educators, and stewards of the land is more important than ever.

With your support, we invest in research, education, and services in your community—to be a neighbor in times of need. And, we can't do this without your help.

Join the #GivingTuesday Movement!

#GivingTuesday is a movement about ordinary people coming together to do extraordinary things. Whether you choose to donate your time or money this year for #GivingTuesday, UC ANR would like to say thank you for helping make a difference! Make a gift to UC ANR! Share with us on social media!
