## 4-H National Youth Science Day

The third annual **4-H National Youth Science Day** will be held nationally on Wednesday, October 6, 2010. Created to combat a shortage of American young people pursuing science college majors and careers, 4-H National Youth Science Day seeks to spark an early youth interest and leadership in science.

### 2010 Experiment to Focus on Water Quality - 4-H2O

The 2010 National Science Experiment, 4-H2O, will focus on water quality and climate change. Using a three-tiered experiment model, the experiment engages youth of all ages to learn at the simplest level how carbon dioxide can affect aquatic animals, plants and other living organisms in lakes, streams, rivers and oceans. Facilitators will lead discussions to help youth better understand climate change. Visit the national website for more information - <https://www.4-h.org/NYSD/>

### 4-H National Youth Science Experiment Events in the Community

The 4-H National Youth Science Experiment is the perfect opportunity to promote 4-H to the community while sparking the interest of youth in learning more about 4-H science, engineering, and technology activities. In 2010, counties are encouraged to host at least one large NYSE event at a public venue. This could be at an existing community festival or a stand alone 4-H event. The event may be planned by the County 4-H Office, a group of 4-H volunteers and members, an All Star team, an Emerald Star project, or by a 4-H Club.

## Cavies are coming to the 2010 Kern County Fair!

What is a Cavy? Cavy is a fancy show word for "Guinea Pig." This year, the Kern County Fair is offering cavies as a new division of small animal exhibition. Cavies will be under the rabbit committee, since cavies are also governed by the American Rabbit Breeders Association. Cavies are inexpensive to raise, require minimal space, and are a great animal project for 4-H members that don't have the resources or physical ability, space, or proper zoning to handle larger animal projects.

***This new category has the potential to allow members who live in an apartment to have a breeding and/or showmanship project, without having to find a place for their animal to be housed. This will also be of benefit for those members experiencing strict zoning issues.***

There are 13 recognized breeds of cavies in the United States. Cavies will have two breed divisions (Americans and All Other Breeds) this year, and more may be added for future fairs, depending on entries from the previous year/s. There will be BOB & BOS Awards, Best In Show and Reserve In Show Awards, Cavy Showmanship classes AND cavies will be eligible to go through the auction! That's right, you can sell your cavy to help fund your project! ☺

*If you'd like a club presentation and/or additional information to help get interested members of your club involved with cavies, please contact Armando Cabrera, Kern County Fair - Rabbit Committee Chairman, at 661-472-8886(Cell) or e-mail at: [Mandojudg@aol.com](mailto:Mandojudg@aol.com)*

## Shooting Sports Volunteer Trainer Course Shotgun Discipline

**2300 Vichey Springs Rd., Ukiah, CA 95482**

**Saturday October 23, 2010 - 8:00 a.m. – 5:00 p.m.**

**Sunday, October 24, 2010 – 8:00 a.m. – 5:00 p.m.**

Upon successful completion of this course, 4-H leaders will be certified Trainers in the shooting sports discipline of Shotgun. They will be certified as Trainers and be eligible to serve as a Trainer for other shooting sports leaders in Shotgun. There is a \$30 fee for the course. To get more information or register for the class contact Linda Edgington at [lgedgington@ucdavis.edu](mailto:lgedgington@ucdavis.edu) or call 707-463-4495.

## 4-H Hat Etiquette

*What you may put on your cap*

### Left Side

Place the Bronze, Silver, Gold, or All-Star 2" from the front. Only the current Star Rank held may be worn.

Place the Junior or Teen Leader emblem behind the star. This is worn only while the member is serving as a Junior or Teen Leader.

Fasten the All-Star pin to the center of the All-Star emblem.

### Right Side

Place a year pin and stripe for each completed 4-H year behind the 4-H emblem, with the first year next to the 4-H Clover.

Junior members wear a white stripe on a green background. Senior members wear a green stripe on a white background. Junior Leaders use a gold stripe on a green background and Teen Leaders use a gold stripe on a white background.

Medals received in the California Incentives and Awards Program may be worn on either side of the cap. No other pins or ribbons are to be worn on the cap at any time. The 4-H cap should reflect the dignity of the 4-H Youth Development Program and not be cheapened by fastening to it every emblem, award, and ribbon won by the member. Some items not to be worn on the hat include buttons, fair medals, or all three stars at the same time.

### Which, When, and Where?

Wearing a 4-H cap is not a requirement for membership. If a member chooses to wear a cap the following guidelines should be observed.

### Green or White?

Junior members wear the green cap. A junior member is anyone in the 8th grade or below. Senior members wear the white cap. A senior member is anyone in 9th grade and above.

### When to Wear?

Girls may wear the 4-H cap anywhere girls usually wear hats -- 4-H meetings, events, public gatherings and in church.

Boys do not wear the cap in church, at meals or at memorial services, indoors or outdoors, unless they are serving as color guards. Boys serving as color guards wear their caps until the flags are placed and they are seated. When saluting the American flag, remove your cap and hold in your right hand, over your heart.

### Where to Get?

Obtain 4-H caps from the local club leader who purchases them from Leslie Carman. The manufacturer sews the 4-H emblem on the right side of the cap. For information on obtaining a cap, scarf, or tie locally, contact the Extension Office at 661-868-6233.

## Kern County 4-H Achievement Program/Ice Cream Social Friday, August 13, 7:00 p.m.

The annual Kern County 4-H Achievement Program will be held at the Kern County Fairgrounds in the Fine Arts Building. 4-H members who submitted record books for judging and placed will receive their awards along with 4-H members who will be earning their awards for project testing, and scholarships. Many of our leaders will be recognized for their years of service.

To help our families prepare for the Fair, there will be a "white exchange" at this event. We are also requesting each family bring some basic school supplies to be donated to a local charity.

At the conclusion of the awards ceremony, free ice cream will be provided for those in attendance.

## FREE FREE FREE TB Testing for Bovine Animals

Dr. Frank Martin DVM is graciously offering; a one time only free, TB testing for all Bovine Animals (dairy and beef). Animals will be tested on the fairgrounds, August 6, 2010 at 5:00 p.m. The animals will all need to return for reading, Monday, August 9, 2010 at 5:00 p.m.

Please make sure to thank Dr. Martin for saving our 4-H families from having to pay a veterinarian "house call" to their property, for this mandated testing.

## Animal Science Education Advisory Committee

Are you interested or involved in 4-H as a volunteer or a teen youth member? Do you love animals? If so, the State 4-H office has an opportunity for you! Consider submitting an application to join the Animal Science Education Advisory Committee. Our role is to represent the interests of animal activities and programs throughout the state while enhancing the effectiveness of the educational deliveries and opportunities for the animal science education program. ## Sweet Treats for Veterans

Greenacres West 4-H*

*Members from Greenacres West, God's Pride, Kern Creative Minds, Kern Delta, Rosedale, Sundance, and West Bakersfield 4-H Clubs participated in baking and bringing sweet treats to our local veterans.*

Every month the Veterans of Foreign Wars Women's Auxiliary brings baked goods to the Bakersfield Veterans' Clinic. This month 4-H'ers were invited to do the baking. The goal was to bake at least 60 dozen cookies in addition to other desserts. On Friday July 30, 2010 Kern County 4-H'ers from different clubs went to the Bakersfield Veterans' Clinic to support local veterans. Baked goods and all kinds of sweets made by 4-H'ers were served to veterans. These homemade sweets included cupcakes, cookies, muffins, sweet breads and others goodies. There was an abundance of treats available to the veterans and there appeared to be more than 60 dozen cookies. The veterans ate the treats with smiles on their faces and expressed appreciation for the service of the 4-H'ers.
