Healthy Soils Incentives Grants Awarded

The CDFA has announced 316 recipients for this year's Healthy Soils Program:

If you applied for a grant, make sure that you are checking your email – the CDFA will require you to provide them with important tax ID information as soon as possible.

If you need a 25% advance payment, reach out to Shulamit Shroder and she can provide you with the forms that you need.

Make sure to wait until your grant agreement has been signed and approved and you have been given the go-ahead before purchasing any materials needed for your project (i.e. compost, plants, etc.).

Reach out to Shulamit Shroder with any questions on next steps and how to implement your projects: sashroder@ucanr.edu or 661-903-9442.
