

3rd Annual 4-H Science, Engineering, and Technology 2011 Winter Workshops
February 5, 2011
9:00 a.m. – 4:00 p.m.
Locations around California

For 4-H volunteers, teen leaders, and afterschool educators

Workshops are FREE!
Free curriculum provided to participants!
Lunch is provided.

Registration due January 24, 2011 at <http://ucanr.org/set>

The workshop emphasize experiential and inquiry-based learning, providing practical examples of incorporating hands-on activities that invite youth exploration, promote active questioning, and application to the real world.
